## A. Letter to Families

Dear Families,

We are excited to announce that Champion will be moving for the 2022-2023 school year to 251 East Lake Brantley Drive Longwood, FL 32779. This is the former campus of Sweetwater Episcopal Academy. Champion is a Christ-Centered non-denominational school, and we are not affiliated with the Episcopal Church. We are thrilled to minister to you and your family and pray that you will consider enrolling your student in our Day School. If you have not already, please attend an information meeting, so we can explain all the details of how our school can serve the academic, spiritual, and physical needs of your student.

The information meeting sign-up is on our school website ([www.championprep.org/webinar](http://www.championprep.org/webinar)). It is our prayer that we can provide an excellent educational experience tailored to fit the needs of your family and children.

Champion Preparatory Academy (CPA) strives hard to make sure all our students enjoy coming to school and are treated with respect, love, and kindness while they are at school. At CPA, school is a safe place to learn and grow academically and spiritually. Our school feels like a family setting where all students and teachers know and care for each other. CPA students learn to be kind to each other and to respect their teachers and classmates. When they see it modeled every day at school, it becomes a part of who they are and who they want to be. Our goal is for our students to lead a well-balanced life with priorities in order: God, family, school, community service, and extracurricular activities. CPA is all about YOUR student and developing an educational plan that works best for each child.

Champion Day School is a 21st century school incorporating technology, high academic standards, traditional values, and a Christ-Centered education. CPA families may choose to enroll their student in our Day School Programs for 1, 4, or 5 days, based on your family's needs. We are committed to providing excellence in all that we do. You will see this vision of excellence and our mission to provide a more personalized approach in all that we do, from your initial contact with our admissions staff to becoming a valued family member here at CPA.

It is our prayer that you will choose Champion to provide the support you need to ensure a successful education program. We are here to serve you and your family. Please contact our staff if you have questions or need further information.

Blessings,

*Ms. Vicki Phillips*, MA

Executive Director and Founder

# INTRODUCTION

## A. Introduction to Champion Preparatory Academy

We know that if you have never been introduced to the many opportunities and methods of learning, all of this may be confusing to you. Just remember that all families enrolled in any of our programs are enrolled in Champion Preparatory Academy, our fully accredited private school. Being a private school, we have the right to decide how we wish to conduct school. Champion just happens to have selected several ways to help you accomplish your school objectives: homeschool; attend school online; or attend our on-campus day school, full or part-time. All the options can be great educational options, but you need to decide which option will work best for your family and your Champion Preparatory student.

## B. History

CPA is a not-for-profit organization which operates under the name of Champion Schools, Inc. CPA was incorporated in 1997. CPA became a non-public private school in 1997 and was fully accredited in 1999.

## C. Mission Statement

At Champion Preparatory Academy we want to partner with parents to inspire their children to be college-prepared, character witnesses of Christ. With the Lord as our guide, we are committed to equipping our students and families to be confident in what they believe and able to defend their faith in love, boldly, and unashamedly.

## D. Vision Statement

Champion exists to cultivate parental involvement in the educational process of their children. We strive to instill students with a biblical worldview and the passion to stand firm and articulate boldly in defense of their faith, to guide them into independent learning, and to train our students to always give themselves fully to the work of the Lord because their labor will not be in vain.

*Truth is revealed by God through Christ "in whom are hid all the treasures of wisdom and knowledge."  
Colossians 2:3*

## E. Statement of Faith

Families must be in agreement with the following Statement of Faith that guides the ministry of Champion Preparatory Academy:

- ◆ There is **one sovereign God** in three persons: the Father, the Son, and the Holy Spirit.
- ◆ There is **one way of salvation**: faith in Jesus Christ, the son of God, who lived as a man, died for the sins of all men, and was resurrected so that all who believe in their hearts, and confess Jesus as Lord with their mouths will be saved.
- ◆ There is **one book of truth**: the Bible, God's written revelation to man, authoritative, reliable, and inerrant, without the need of any document to complete the message.
- ◆ There is **one body**: the church with its many parts acting in unison.

## F. Non-Discriminatory Policy

Champion admits students of any race, color, ethnic or national origin to all the rights, privileges, programs, and activities extended to students. Champion does not discriminate in the administration of its policies or educational programs.

Champion Preparatory Academy aspires to create a friendly, pleasant, and challenging school environment for its students - an environment where sensitivity, respect for others, and hard work are valued. As a college preparatory school, Champion Preparatory Academy intends to thoroughly prepare its students for further education, encouraging them to strive for excellence, yet paying attention to their individual needs. It is hoped that the atmosphere of the school will encourage students to enjoy a variety of activities and experiences and take pride in the quality, Christ-centered education at Champion Preparatory Academy.

# GENERAL INFORMATION

## A. The History of Champion Preparatory Academy

CPA is a not-for-profit organization which operates under the name of Champion Schools, Inc. CPA was incorporated in 1997. CPA became a non-public private school in 1997 and was fully accredited in 1999.

## B. Our Founder

The Executive Director and founder of CPA is Ms. Vicki Phillips. Ms. Phillips has a master's degree in Speech Pathology and a minor in Educational Psychology from Wichita State University and over thirty-five years of experience in developing and administering educational programs. Ms. Phillips is a Certified Private School Director and has her Advanced Director Credential from the Florida Department of Child and Family.

Through many prayers and God's direction, CPA programs have served thousands of children since the inception of our program. Ms. Phillips is the Executive Director of CPA and provides oversight to all Champion programs and has a great heart for homeschool and alternative educational programs. Ms. Phillips has been honored with a Who's Who in School Administration Award and is an honored member of Stanford Who's Who.

## C. Building Security

The safety of all children at Champion is our number one priority. To provide a safe environment for all children, the following security measures will be in place.

- All doors to classrooms will be locked throughout the day. All visitors must enter through the school office. The visitor's badge should designate the date and the purpose for the visit (example: volunteer, visitor, etc.).
- The safety of Champion students is always of utmost importance. Students are always under the supervision of teachers or staff members during school hours.

## D. Special Events and Field Trips

Special events and field trips are posted on the School Calendar. Please refer to the school member website for an updated schedule. Sign-up and payment are required. This will also be available under Info Center/Event Registration. All field trips are parent/student attended. Our teachers do not go on field trips. The field trip calendar is always posted on the front of our school website. Sign up and pay (if there is a fee) under Info Center/Event Registration.

Members are encouraged to participate in special events and field trips such as:

- Scripps Spelling Bee, Young Author's Day, Community Service Projects, History & Science Fair, Talent Show & Art Fair, Family Glow dance, High School Prom, Breakfast for First Responders, Field Trips (parent attends and transports to the field trip—teachers don't go to field trips)
- Clubs: Science Olympiad, Lovely Project, National Beta Club for grades 4-12
- VPK, Kindergarten, 8th Grade and Senior Graduation Ceremonies
- Christmas Around the World and Christmas Market Place
- A Day on Broadway production in May.

# ONE SCHOOL-MANY CHOICES

We offer the following distinctive fully accredited programs to serve the needs of K-12th grade students. All programs are fully accredited by the National Private Schools Accreditation Group.

## **A. DAY SCHOOL ON-CAMPUS PROGRAM K-AA degree (Moving to Longwood, FL July, 2022)**

Located on a beautiful 9-acre campus on the shore of Lake Brantley (251 East Lake Brantley Longwood, FL)

Our Day School is a Christ-centered school for grades K-12<sup>th</sup> grade (See Pre-School packet for ages 3 & 4 & VPK) where students may attend one, four, or five days a week. Champion provides a small teacher-to-student ratio, multi-sensory learning, a Christian curriculum, all core subjects, and many enrichment classes. Champion instills a high standard of excellence in both character development and academics, all within a nurturing family-oriented school built on Christian values.

### **Our Signature Programs are:**

- STEAM Lab for K-12, Entrepreneur-Boss Club Program for K-1, Adventure Club—K-12, Performing & Fine Arts Programs K-12, Culinary Arts (K-12), Living History K-12
- STAR(4-8 & 9-12) For students that learn best in a small group going their own pace, with an individualized plan.
- Transition Program (9-12) For students that need a little slower pace, but can accomplish grade level curriculum.
- Independent Learning Center– Homeschool students may come on campus to complete homework assigned by the parent. This is a study hall environment with a teacher provided to assist your child and keep them focused on their work.
- Dual Enrollment for Junior and Seniors—Get College and High School Credit at the same time. Either enroll with Seminole State or our Online School with Snow College to receive your AA while still in high school.
- On-Campus part-time or full time, (1, 4 or 5 days) or Hybrid –Combination of On-Campus and Remote-Your choice of days.

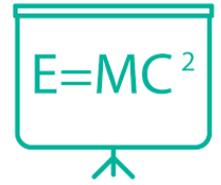

## **B. CHAMPION HOMESCHOOL ACADEMY K-AA degree**

Champion Academy is our fully accredited private school that allows parents to legally school at home. CPA offers guidance counseling, academic testing, recordkeeping, private school grade cards and transcripts, dual enrollment, many events, and field trips, four diploma options, a graduation ceremony, and much more. Enrollment is accepted year-round! See our Champion Academy information packet for more information.

## **C. CHAMPION ACADEMY ONLINE CURRICULUM K-AA degree**

Champion Academy offers over 300 online courses (remedial, regular, honors, and AP courses). Select from secular or Christ-Centered online curriculum. You can select a curriculum that your student can complete independently or have our tutor help your student as much or little as needed. Start at any time! Our NEW online program K-12 includes a mentor, and a teacher to help with the academics or register with our new College (Snow College) and get you AA degree online.

# DAY SCHOOL PROGRAM

## A. General Information

Champion is fully accredited by the National Association of Private Schools Accreditation Group (NPSAG). Champion Day School is organized in two semesters for a total of 34 weeks. We additionally hold membership with the Florida Coalition of Christian Private Schools Accreditation (FCCPSA) and are working on Accreditation with FCCPSA.

Students must successfully complete the prerequisite for each course or grade level, confirmed by a passing grade in a Champion course or transcript from another school. We may ask students to demonstrate mastery of previous knowledge through placement testing to provide teachers with a starting point for instruction.

Champion allows students to deviate from grade level, based on mastery of individual subject matter: elementary and secondary may go back or advance one grade level. Flexible course registration makes it possible for students to advance more quickly in areas where they are gifted and/or repeat in weaker areas when necessary.

All students K-8 will be tested using the Moby Max skills assessment to help the classroom teacher determine student groupings and strengths and weaknesses of the class.

Students are encouraged to enroll in the math level that best fits their needs. All Math classes are taught at the same time to accommodate students that need a math level that is different from their grade level.

## B. Sick Students

It is our policy that sick students must stay home. We will send home anyone who arrives at school sick. We want to keep a healthy environment for all our students. Our classrooms are equipped with filters to purify the air and our entire facility is sanitized each evening. All surfaces are sanitized before lunch and students are taught proper handwashing. We are mask optional, but requirements for face masks are subject to change based on Covid-19 requirements. Students may not come to school if they have a cough, runny nose, or fever above 100.4°F. The school reserves the right to check a student or staff member's temperature.

## C. Parent, Staff, and Teacher School Goals and Code of Conduct Statement of Policy

The school operates on an honor system with its students, parents, and staff. This means that we expect our parents, students, and staff to be truthful, honest, and upright in their words and actions as a matter of personal conviction and beliefs.

Just as God wants our hearts toward Him, we desire for every family and staff member to have a heart after God. Because He has extended His grace to us, we are equipped with His blessings and empowered to obey. Our primary guideline at Champion is respect - for God, for those in authority, for our peers, for ourselves, and for church and school property.

Champion students, families, and staff, love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind and love your neighbor as yourself. Matthew 22:37

In all your relationships, with parents, teachers, siblings, and friends:

- I will show respect for God and others. This means considering others above yourself. In addition, respect yourself. You are loved by and important to God and to us.
- I will be responsible.
- I will display good manners.
- I will practice acts of kindness. Use your words to build each other up, not tear each other down. Ephesians: 4:29
- I promise to always do my best.

# DAY SCHOOL PROGRAM CONTINUED

## D. Parental Role (Four or Five Day Program)

The parent's role is to review and oversee homework and assignments, provide follow-up study over covered material, and assist in preparation or review as needed. Parents and students must print all home assignments at home and put them in the student folder by Monday of each week. Parents will also bear the responsibility for assignments that the student did not complete at school; this may include some direct instruction in some aspects of the course, such as spelling and in monitoring their child's academic progress, including timely (as per due dates) submission of all assignments. Parents need to check our Sycamore member website or our Sycamore Mobile phone app 2-3 times per week. Parents have access to student grades, classroom news, course syllabus, home assignments, and discipline logs on a daily basis. Parents of students participating in our Hybrid program are also responsible for the Remote Learning Parental Roles as well (see Remote Learning Program).

## E. Volunteer Opportunities

Parents are encouraged to take an active role in their child's education. Volunteers are needed to help in the classroom, supervise lunch, help with morning and afternoon car line, assist in the office, and complete work at home. Any volunteer working directly with students must be fingerprinted and must complete a volunteer agreement form. Please contact the office for fingerprinting information.

All parents are required to volunteer 10 hours per school year. Families may opt-out by paying a fee of \$100.00. All volunteer service hours must be written into the volunteer book located at the campus supervisor desk.

## F. Fundraising

We require that every Champion Prep on-campus family raise a minimum of \$100.00. Families may opt-out of the fundraising by adding the \$100.00 amount to their tuition. Champion will sponsor a fundraiser in the fall to help families raise the money to meet the fundraising requirement. All fundraising donations benefit the students. Items we may purchase with the funds are scholarships for students with financial need during the school year, consumables, history fair, technology, sports equipment, etc.

## G. Athletics

### **K-8th grade:**

Champion Preparatory Academy students might desire to join the Association of Christian Youth Sports, ACYS, team for soccer, basketball, or flag football. Champion does not offer its own sports division. ACYS is a sports league based on biblical principles like integrity, fairness, teamwork, accountability, mutual respect, and love. Football and basketball take place in the winter with baseball and softball following in the spring. Most seasons run in succession without overlapping to allow kids the opportunity to play every sport if they choose.

### **High School:**

Champion Preparatory Academy students may join their district high school team for the sport of their choice. Students who desire to participate in high school sports need to get the proper documentation from their district high school and have the forms completed at the Champion school office.

### **PE:**

Champion offers on-campus PE for all grades. Champion has a regulation-size gymnasium that has basketball hoops and volleyball nets and outdoor basketball and a dedicated soccer field.

### **Recess:**

Students in K-3 have morning and afternoon snacks, recess as well as daily PE classes. Grades 4-6 have an afternoon snack, recess, and daily PE classes. Grades 7-12 have daily PE classes.

# REMOTE LEARNING PROGRAM

## A. General Information

### Day School Remote Option.

This is a great option for families desiring to homeschool with the support of a classroom teacher, teacher instruction, discussion & presentations with classmates, teacher grading, and being part of a fully accredited private school. Students can join the class on Zoom via computer, tablet, or even a phone from where they are. Everything is posted online and accessible from your student's personal Champion member-only website. The remote option operates on the same schedule and calendar as the Day School. Your child will be assigned to the Day School teacher for your child's grade. Local students can additionally participate in all on-campus school events and can sign up for on-campus Monday Connections or attend at home on Zoom.

## B. K-12th Grades

K-2 Students have reading, language arts, and a unit study on T-W-Th. Students in grades 3-5 additionally have Science and History as part of their curriculum. Students in Grades 7-12 use a combination of Strongmind digital curriculum and books. Strongmind is engaging, exceeds state standards, and has many projects and options that keep the student excited about learning.

## C. STAR Remote Option

Students in STAR may attend school at HOME along with our Day School STAR classroom M-F. The program is the same as our on-campus program, except you will receive classroom instruction, discussions, etc. via Zoom. Teachers post the lesson plans weekly, grade the work, and students can easily upload their work to their teacher Dropbox for grading. Local students can participate in all on-campus school events. Since students will not be on-campus scholarships are not accepted for this program.

## D. Required Technology

Up to date computer with webcam and microphone or phone/tablet with the ability to use Zoom, strong internet, and a printer. Zoom will also need to be downloaded or accessible on the browser of your computer or phone.

## E. Parental Role (Remote Learning Program)

The parent's role is to review and oversee homework and assignments, provide follow-up study over covered material, and assist in preparation or review as needed. Parents need to make sure the student has access to Sycamore (our personalized member portal) through their student account. Parents and students must print out the homework/assignment sheet weekly, as well as all worksheets and documents uploaded on Sycamore by their teacher, and make sure the student has them available for class. Parents should make sure that the assignments are checked off at the end of each day and that all assignments are turned in through the student's Dropbox on Sycamore. A physical copy should also be kept in their 3-ring binder. Parents are responsible for ensuring their student has access to a working webcam, printer, computer/tablet, and a strong internet connection. Parents are responsible for making sure their student is following school Zoom procedures and etiquette. Remote Learners on Zoom are expected to actively participate in class. Parents should make sure their students are following the class break schedule. Parents and students must print all home assignments at home and put them in the student folder by Monday of each week. Parents are also responsible for having their student finish assignments that the student did not complete at school; this may include some direct instruction, such as spelling, and in monitoring their child's academic progress, including timely submission of all assignments. Parents need to check their Sycamore parent member website 2-3 times per week. Parents have access to student grades, classroom news, course syllabus, home assignments, and discipline logs on a daily basis.

Remote students should not be left home alone. Parents need to be aware they may need to purchase some additional supplies for hands-on learning at home or may need to pick up supplies periodically from school. Parents of students participating in our Hybrid program are also responsible for the Day School Parental Roles as well (see Day School Program).

# DRESS CODE

**Parents, it is your responsibility to make sure your student comes to school in dress code. If a student comes to school out of dress code, the parent will be called to bring the student the proper dress code items. The student will not be allowed in class during this time.**

## K-12 Dress Code

The dress code provides standards to ensure a neat, clean, and well-groomed appearance for students. Mondays and Fridays are free dress days with Tuesday-Thursday students following uniform guidelines. Individual questions about the dress code should be referred to the Campus Supervisor.

## General Dress Code

- Champion logo polo shirt (long, short, or 3/4 sleeve).
- Students may wear cardigan sweaters, sweatshirts, or "hoodies" during cold weather and in the classroom. However, these items MUST have a Champion logo displayed on the front. NO exceptions will be made. Polos and outerwear can be in any available solid color.
- Students may wear shirts in or out. However, shirts that are frayed at the bottom or excessively long (past the bottom of the hip in the back) must be tucked in during class.
- Navy, khaki or black bottoms. See notes for types below.
- Belts are suggested, but not required.
- Shoes must have closed toes and closed heels and soft soles – athletic-type shoes are preferred. Students need to wear athletic-type shoes with a soft sole for basketball or volleyball. NO Crocs, wheeled shoes, or boots. Note: Boots are only allowed on cold weather allowance days (see cold weather note to follow).
- Plain, solid color socks.
- Dress at all times should be modest and in good taste.
- Students are not allowed to wear clothing that is too tight, too baggy, immodest (low cut necklines, see-thru material, or short skirts) or items with rips, holes, or frayed edges.
- Girls may not wear shoes with heels more than 1" in height.
- Hair should be clean and neatly styled, with no extreme hairstyles (for example, mohawk) or unnatural hair colors.
- Caps, hats, bandanas, and scarves may not be worn at school.
- Girls may wear nail polish in conservative colors.
- Girls in upper school may wear light makeup. Makeup must be modest and may not draw attention to the student.
- Jewelry should be limited to a single, appropriate necklace and/or bracelet, earrings, and a watch.
- Girls are allowed to wear earrings in the earlobes only; no other pierced jewelry is permitted.
- Boys are not allowed to wear earrings or have facial hair.
- Any pre-existing tattoos must be covered while on the school campus.

## Boys

Boys may wear navy, khaki, or black Docker style cotton twill pants or shorts that reach the knees. Pants may not have zippers at the knees or on the sides. Pants and shorts may not have outside pockets on the leg.

## Girls

Girls may wear navy, khaki, or black Docker style cotton twill pants, capris, skirts, skorts, or shorts, none of which may be form-fitting, or of knit, stretchy, or spandex materials. These items may not have zippers at the knees or on the sides. The items may not have outside pockets on the leg. Shorts, skirts, and skorts must be within two inches of the knees. Students may wear bike shorts, tights, or leggings that are solid navy, tan, or black under their skirts.

# DRESS CODE CONTINUED

## Free Dress Mondays & Fridays

Students on campus on Mondays & Fridays may wear their Champion logo uniform or follow the free dress code guidelines. Some free dress days will be announced during the year. Please have your student use discretion in choosing their clothing for these days.

## Cold Weather Allowance (Change in dress code on days that fall below 55 degrees)

The Champion facility is climate controlled. In cold weather, when the temperature drops below 55, students may wear a winter coat in addition to their Champion uniform and add layers. The winter coat may not replace their Champion sweater or hoodie. Heavy winter coats, even on the coldest days, are too hot for our classrooms. Students will still need their sweaters and uniform shirt in the classroom.

Please LABEL ALL OUTER CLOTHING ITEMS. Our lost and found collection of sweaters and jackets fills each fall and winter and many items never find their way home. Boots may be worn to school only on cold weather days. Please be sure that the heels of the boots are no more than 1 inch.

## \*\*\*Ordering Champion Dress Code Items\*\*\* \*\*\*2022-2023 School Dress Code Order Information\*\*\*

**All school dress code items that need to have the school logo embroidered must be ordered through Educational Outfitters.**

1. You may order from their website:  
<http://orlando.educationalfitters.com/champion-preparatory-academy>
2. You may also shop at their local store at:  
Educational Outfitters of Orlando  
5135 Adanson Street, Suite 115  
Orlando, FL 32804  
407-897-5363

**\*\*Please note: Educational Outfitters will only embroider items purchased through their store!**

# HIGH SCHOOL GENERAL INFORMATION

## A. Fully Accredited Diploma Options

Champion offers the following diploma options: Scholar, Standard, Standard Accelerated, and Career. The exact credit requirements are listed on our website and in a separate packet.

The **Scholar Diploma** is designed to prepare students for entry into more demanding colleges and universities and provide them with greater depth and knowledge in selected fields of study.

The **Standard** is designed to prepare students for entry into most 4-year colleges and universities.

The **Standard Accelerated** is designed to prepare students for entry into a community college or small college.

The **Standard Career** is designed to prepare students for entry into a community college or vocational program.

**In addition to your diploma plan requirements, please note the following:**

**Dual Enrollment (DE):** Champion encourages students that excel academically to additionally take classes at the college level in their Junior and senior year of high school. Students must have a GPA of 3.0 or higher to consider dual enrollment and be prepared to take college-level classwork.

- Scholar -28 credits
- Standard -24 credits
- Accelerated -18 credits (3-year graduation)
- Standard Career -18 credits
- Certificate of Participation (Students unable to meet graduation requirements)

## B-1. Graduation Requirements for Current Seniors Graduating through 2024

### High School Scholar Diploma - 28 Credits

4 credits in English

4 credits in Social Sciences (World History, American History, American Government, Economics, and any other Social Studies credit to make 4)

4 credits in Math (Algebra 1 and Geometry or higher)

4 credits in Science (to include Biology 1 with lab and one other science with a lab)

2 credits in same Foreign Language\*

1 credit HOPE

1 credit in Practical or Performing Arts

8 credits in Electives (½ credit volunteer public service)

Additional Graduation Requirements: A GPA of 3.5 or higher, a minimum of two honor classes in either English, Science, or Math, and an SAT College Board Exam Score of 1170 (without writing scores) or ACT 25.

### High School Standard Diploma - 24 Credits

4 credits in English

3 credits in Social Sciences (World History, American History, American Government, Economics)

4 credits in Math (Algebra 1 and Geometry or higher)

3 credits in Science (to include Biology 1 with lab and one other science with a lab)

1 credit HOPE

1 credit in Practical or Performing Arts

8 credits in Electives

Additional Graduation Requirements: A GPA of 2.0 or higher and an SAT College Board Exam of 930 or higher (without writing scores) or ACT Score of 16. The PERT will also be considered.

\*Foreign Language and one online course are REQUIRED for Bright Futures.

# HIGH SCHOOL GENERAL INFORMATION CONTINUED

## B-1. Graduation Requirements through 2024 Graduates Continued

### High School Accelerated (3 Year) Standard Diploma - 18 Credits

- 4 credits in English
- 3 credits in Social Sciences (World History, American History, American Government, Economics)
- 4 credits in Math (Algebra 1 & Geometry and higher)
- 3 credits in Science (to include Biology 1 with lab and one other science with a lab)
- 4 Electives

Additional Graduation Requirements: A GPA of 2.0 or higher and an SAT College Board Exam of 930 (without writing scores) or higher or ACT Score of 16.

\*Foreign Language and one online course are REQUIRED for Bright Futures.

### High School Standard Diploma - 18 Credits

- 4 credits in English
- 3 credits in Social Sciences (World History, American History, American Government, Economics)
- 3 credits in Math (Algebra 1 required)
- 3 credits in Science (to include Biology 1 with lab and one other science with a lab)
- 5 credits in Electives (2 credits from same career electives)

## B-2. Graduation Requirements for Rising Freshman Graduating 2025 and After

### High School Scholar Diploma - 28 Credits

- 4 credits in English
- 4 credits in Social Sciences (World History, American History, American Government, Economics, Geography, or any other Social Studies credit to make 4)

- 4 credits in English
- 3 credits in Social Sciences (World History, American History, American Government, Economics)
- 4 credits in Math (Algebra 1 & Geometry and higher)
- 3 credits in Science (to include Biology 1 with lab and one other science with a lab)
- 4 Electives

Additional Graduation Requirements: A GPA of 2.0 or higher, and an SAT Reading 24, Writing & Language 25, Math 24 or higher or ACT Score of English 17, Reading 19 and Math 19. The PERT will also be considered. One online course.

\*Foreign Language is REQUIRED for Bright Futures.

### High School Standard Diploma - 18 Credits

- 4 credits in English
- 3 credits in Social Sciences (World History, American History, American Government, Economics)
- 3 credits in Math (Algebra 1 - required)
- 3 credits in Science (to include Biology 1 with lab and one other science with a lab)
- 5 credits in Electives (We recommend that students desiring to earn this diploma should take at least 3 vocational credits in a single career and technical education program with a 3.5 GPA in those courses. This satisfies the Florida Bright Futures Gold Seal vocational credit requirement. If a student graduates without the vocational credits, he/she will not qualify to receive the money even if every other qualification is met).

Additional Graduation Requirements: A GPA of 2.0 and higher and academic achievement testing determined by the school, showing student reached potential in Reading and Math through Diagnostic or Achievement

## C. Grade Point Average

Champion uses a 6.0 grade point scale with AP/DE courses weighted an additional two GPA points, and honor courses weighted an additional one GPA point. This is how the student's weighted GPA is calculated.

## D. Dual Enrollment

The minimum age for most dual enrollment programs is 13. All dual enrollment classes must be approved by our guidance counselor. Please set up a meeting with our Guidance counselor at least 90 days prior to the date you desire to enroll in dual enrollment courses. Students should have at least a 3.0 GPA to consider trying dual enrollment and must have college-ready test scores on the ACT, SAT, or Post-Secondary Education Readiness Test (PERT) Dual enrollment courses will count for high school credit and college credit.

We encourage Champion students who have a 3.0 and above and are college-ready (usually by 10th grade & up) to take advantage of our dual enrollment agreement with Seminole State or Valencia College. Students may take online dual enrollment classes and attend our Independent Learning Center or attend classes on the campus of Seminole State or Valencia College. Many of our past students have completed 30–60 hours of college credit by the time they graduate from high school.

Students may additionally enroll in Champion's Online College program and receive an AA through Snow College. Students may come on campus and take the classes in the ILC or work on the coursework at home. Please see information about Snow College on our website.

# HIGH SCHOOL GENERAL INFORMATION CONTINUED

## E. Work Study

High school students may receive credit for working but must complete required documentation for this program. The forms are available under Documents on our member only website. Each 67.5 hours of work is counted as .5 credit. The course name is called Work Experience OJT code 8301650.

## F. Community Service

High school students completing volunteer hours for the Florida Bright Futures Scholarship must have their volunteer program approved by CPA before starting the program. All hours must be documented and signed by an adult volunteer supervisor. One hundred hours of volunteer work is counted as .5 credit.

## G. Bright Futures Scholarship

Florida Residents: The Florida Bright Futures Scholarship program has complete information on its website. Senior students apply online through Florida Bright Futures. CPA will enter qualifying course grades. Bright Futures will notify the student of the award amount. Please read the guidelines for the scholarships so the student can meet the academic and other qualifying requirements. The CPA guidance counselor is available to discuss Bright Futures Scholarship Program with parents and students.

## H. Academic Advising

Our guidance counselor is available to meet with all parents. Champion requires that all eighth grade through twelfth-grade families meet with the guidance counselor once a year to discuss diploma options, graduation requirements, high school plans, and any college or technical school requirements that need to be met.

## I. SAT, ACT, or PERT Requirement

All students desiring to receive a Scholar, Standard, or Accelerated Standard diploma are required to take either the SAT, ACT, or PERT to graduate from Champion. College applications and many scholarship applications require either SAT and/or ACT scores. Plan to take one and/or all these tests as early as possible. We recommend no later than the spring of your junior year or the latest take it in the fall of your senior year.

## J. Transferring Credits from an Accredited High School

- The class submitted for credit must be a credit-bearing class
- The student must have a passing final grade of 60% or above
- An official transcript from the school where the student received the actual credits must be submitted
- The class must be equivalent in content and academic level as offered by Champion.

## K. Transferring Credits from a Private Unaccredited High School, Home-School, or Informal Setting

- The class submitted for credit must be congruent in content and academic level as offered by Champion.
- An official transcript (or grade report in the case of a home school) must be submitted.
- The student must have used a standard high school level textbook (a fill-in-the-blank workbook approach is not acceptable), and taken closed-book tests or essay exams.
- The student must have received a passing grade of 60% or higher.
- Form 603 Transfer of Records must be submitted by the parent to the student's previous school or homeschool parents must submit a transcript and record of all courses taken.
- Champion reserves the right to request additional documentation for the course. In the event that a student does not have the required final exam(s) and/or research paper, the following methods may be used to transfer credit: (a) a student may demonstrate mastery of the material of an earlier level of math, English, or a foreign language by successfully passing a Champion entrance exam and at least one semester of work with a grade of 60% or better. (For example, if a student passes the entrance exam to Algebra II and earns at least a 60% in Pre-Calculus the first semester, the transfer credit would be accepted; (b) at its discretion, Champion may administer comprehensive exams for academic subjects being transferred. A student would receive credit with a grade of 70% or better on the exam(s); For foreign language classes, students will be expected to show proficiency by taking a Champion foreign language exam corresponding to the level they wish to transfer.
- Current students wishing to take courses outside of Champion and transfer those credits **must make prior arrangements** with the guidance counselor.

# HIGH SCHOOL GENERAL INFORMATION CONTINUED

## L. Transfer of Credits for Elective Courses

**In the event a student wishes to apply for transfer of elective courses, Champion must receive a transcript or progress report from the official instructor of the class.**

- The student must receive 67.5 hours of instruction for .5 credit and 135 hours for 1.0 credit.
- Hours of instruction for elective credits (Athletics, Forensic Science, Computer Courses, Fine Arts, etc.) will **only** begin accruing the summer before the 9<sup>th</sup> grade year.

## M. New Senior Enrollment

CPA accepts students in their senior year until October 1. Seniors must complete six credits with CPA and complete all CPA graduation requirements. All seniors must have their records reviewed before final acceptance. All seniors are required to take the SAT (college board) or ACT as part of their graduation requirements (see score requirements on the graduation requirements page). If a student has not achieved the required scores on the SAT or ACT, we will consider a passing score on a College Placement Test (PERT) or a high school exit exam. Students must be enrolled in CPA for a minimum of two years to be named Valedictorian or Salutatorian.

## N. Senior Year Course Load

Your senior year class schedule should reflect a challenging course load. Colleges frequently request confirmation on whether a student has taken the most rigorous program available when determining scholarships. Grades during the senior year are just as important as during any other year. Every college will request a final transcript upon graduation and scholarships may be revoked if grade point averages and/or class rank no longer meet the scholarship criteria.

## O. Typical High School Course Selection

### 9th Grade:

English 1  
Math (Algebra 1 or Algebra 1A)  
American History  
Biology with Lab or Physical Science  
Foreign Language  
HOPE

### 10th Grade:

English 2  
Math (Algebra 1B, Geometry or Algebra 2)  
World History  
Chemistry with Lab  
Foreign Language 2  
Fine or Performing Arts  
Electives

### 11th Grade:

English 3  
Math (Algebra 2 or Geometry)  
American Government/Economics  
Science without Lab  
Electives  
We recommend dual enrollment for 11th grade.

### 12th Grade

English 4  
Math (Pre-Calculus or high school level Math)  
Electives  
We recommend dual enrollment for 12th grade.

## P. Graduation

A beautiful graduation is held in June at Journey Christian Church in Apopka, Florida. All students are encouraged to participate in this wonderful ceremony. Seniors who plan to attend the graduation must pay the graduation fee along with their senior tuition. Students who are within three months of completing their requirements may participate in the graduation. The diploma will be mailed when all requirements are met.

# MONDAY ENRICHMENT

## A. Schedule of Classes for 2022-2023

The exact class schedule is available at the end of this packet.

All K-12 Monday classes are offered on a first come, first serve basis, after current members enroll. Please enroll as soon as enrollment opens. Once we reach our enrollment limit for each class, our enrollment system will no longer accept students. You may contact the office to have your student put on the waitlist for that class.

All K-12 Day School students participate in our history Christmas Around the World Fair and Christmas Marketplace in the December and can optionally participate in our Evening with the STARS talent show in the spring.

Our Christian, certified, experienced teachers use various resources and will post a course syllabus and resources on their class page on our member website for all classes in August.

Please note some classes have Lab fees.

## B. Monday Dress Code-New for 2022-23

Monday students may dress according to the Monday or Friday Free Dress Code.

## C. K-8th Grade

There are typically no Monday assignments for K-8, with the exception of a few classes that may require some outside work. There are no grades issued for K-8 Monday classes.

## D. High School

High School academic or elective classes will be graded and will have assignments. Students may select to audit a class if they don't want credit or assignments.

## E. Lunch

Parents may order a hot or cold school lunch from [www.schooleatery.com](http://www.schooleatery.com) in advance or bring a healthy lunch. K-5 students need an additional snack and drink for afternoon snack time.

## F. Monday After School Clubs for Grades 4-12

### Jr. (4-8) and Sr. (9-12) Beta Club:

Meet on the 1st & 3rd Monday of each month at 3:15. Beta Club is a national academic & leadership club. All students must be at or above grade level and have a 3.0 grade point average to participate. To learn more, go to: [www.betaclub.org](http://www.betaclub.org). An introductory meeting is held the first month of school. You will find the meeting dates on the school calendar.

### Safety Patrol (Grades 6-12):

Students may elect to participate in our Safety Patrol Program. Students can elect to participate in the morning, 8:30-9:00, or afternoon, 2:55-3:15, or both. Students get community service hours and any safety patrol student that accumulates 50 hours of service can attend a free exclusive field trip.

Look for more information when school starts on Lovely Project Club and Science Olympiad.

# MONDAY ENRICHMENT CONTINUED

## G. K-5 Lower School

**Student/teacher ratio: Monday student/teacher ratio is 1:15** (Exception: PE and Drama classes may be larger).

Monday is a day of engaging hands-on Science, Social studies, and enrichment classes. This is a great day for homeschooled students to come in for fun or academic classes.

Students will begin their day with songs, prayer, and a Bible lesson in the Kids' Chapel. After chapel, they will go to their grade level classes. The children will enjoy social opportunities, cooperative learning, enrichment, and integrated, fun, hands-on learning, while completing age-appropriate academic skills. We will incorporate the latest in technology and some good old-fashioned traditional learning and play activities.

Students in K–5 have enrichment classes that may include STEAM projects, Boss Club, Adventure Club, art, and more. Students get to enjoy outside recess for fitness, cooperative play, and fresh air. Student may select to enroll in A Day on Broadway or stay with their class for other fun enrichment classes.

## H. 6-8 Middle School

**Student/teacher ratio: Monday student/teacher ratio is 1:15** (Exception: PE and Theater classes may be larger).

Monday is a day of engaging hands-on science, social studies, and enrichment classes. We continue to add more choices than previously offered and smaller class sizes, specific for our 6-8 middle school students. Again, this is a great day for homeschooled students to come in for fun or academic classes.

Students will begin their day with our Praise Team Praise and Worship. Students rotate to a different class each period. Students will enjoy social opportunities, cooperative learning, enrichment, academic classes, and fun hands-on learning while completing grade appropriate academic skills, critical thinking and problem solving.

We will offer enrichment classes that incorporate the latest in technology with immersion into STEAM projects in our STEAM lab, learning coding, 3D printing, 3D computing and programming, art, theater, computer basics, entrepreneurship, Spanish, creative writing, cooking basics, creative design, math help, and more. All students will participate in PE with our PE instructor (unless an exemption is needed) and will utilize our regulation size gymnasium or outdoor field for soccer and physical fitness activities and fresh air.

## I. 9-12 High School

**Student/teacher ratio: Monday student/teacher ratio is 1:15** (Exception: PE and Theater classes may be larger).

Monday is a day of engaging science labs, academic and elective classes. High School academic or elective classes will be graded and will have assignments. Students that complete their coursework and assignments will receive a grade and credit on their transcript. Students may select to audit a class, if they don't want credit. This is a great day for homeschooled students to come in for fun or academic classes.

Students will begin their day with our Praise Team choir, prayer, and a Bible lesson in the Gym for Chapel. After chapel, students will go to their selected classes, and rotate to a different class each period. Students will enjoy social opportunities, cooperative learning, elective and academic classes, and fun hands-on learning while completing grade appropriate academic skills.

We offer enrichment classes that incorporate the latest in technology with immersion into STEAM projects in our STEAM lab, learning coding, 3D printing, 3D computing and programming, art, theater, computer basics, entrepreneurship, writing 101, Spanish, creative writing, cooking basics, creative design, math help, and more. All students will participate in PE with our PE instructor (unless an exemption is needed) and will utilize our regulation size gymnasium or outdoor field for soccer and physical fitness activities and fresh air.

# TUESDAY THROUGH THURSDAY PROGRAM

## A. General Information

### **Schedule of Classes:**

The exact class schedule is available at the end of the information packet.

All classes are offered on a first come, first serve basis after current members enroll, so please enroll as soon as enrollment opens. Once we reach our enrollment limit for each class, our enrollment system will no longer accept students. You may contact the office to have your student put on the waitlist for that class.

### **Lunch:**

Parents need to provide a healthy lunch or may order lunch through [www.schooleatery.com](http://www.schooleatery.com). K-3 students need an additional snack and drink for morning and afternoon snack times. Grades 4-5 need an additional snack and drink for afternoon snack time.

## B. K-5 Lower School

### **Student/teacher ratio:**

Our lower school student/teacher ratio is 1:15

### **Overview:**

A day at school on T-W-Th starts with prayer, the Pledge of Allegiance, prayer, worship songs, and a Bible lesson. The focus on T-W-Th is on the core academics. K-3 will have a strong emphasis on foundational skills. In grades 4 and 5, the emphasis will move to more critical thinking and increased reading and writing skills. Teachers will present engaging lessons utilizing many resources including computers. The goal is for students to accomplish the majority of all classwork at school. Students who do not complete work at school will have homework in the evening.

### **Teachers:**

Students in grades K-5 will stay with their homeroom teacher for the entire day. Each grade level has their own classroom.

### **Homework:**

Students in K-2 will have some reading and sight words to learn at home. Students in Grades 3-5 spend approximately 30 minutes per day reading at home and working on spelling words, and math facts. We suggest parents adopt a D.E.A.R. (Drop Everything and Read) time 4-5 days per week to encourage reading.

### **Curriculum:**

Students in grades K-5 will use the Bob Jones curriculum for Language Arts (K-2 additionally will use the Super Kids reading program), we are reviewing our Math curriculum and Grades 3-5 will add Science and History. Teachers will use other supplementary computer programs, books, and materials. Students also will have access to Moby Max instruction for an individualized Reading and Math program. Students will participate in the Book-it Pizza Hut reading program and will receive a certificate monthly (Oct-March) for a free personal pan pizza from Pizza Hut if they meet reading goals.

### **School Purchases Books: (New 2022-2023)**

Each classroom teacher will provide a supply list that parents will need to purchase. The supply list will be posted on our member website under Day School News. Books that are non-consumable will be returned at the end of the school year or when withdrawing from school.

# TUESDAY THROUGH THURSDAY PROGRAM CONTINUED

## C. 6-8 Middle School

**Teacher/Student Ratio: 1:15**

**Overview:**

A day at school on T-W-Th starts with prayer, the Pledge of Allegiance, and a Bible lesson. The focus on T-W-Th is on the core academics. Teachers will present engaging lessons utilizing many resources including computers. The goal is for students to accomplish the majority of all classwork at school. Students who do not complete work at school will complete the assignments at home in the evening.

**Teachers:**

Students in 6th grade stay with their main teacher all day. Students in 7 & 8th grade will rotate to specialty teachers for History and Science. See schedule for details. Each grade level has their own classes.

**Homework:**

Students in 6-8 spend approximately 30 minutes per day reading, completing math assignments, and studying for quizzes and tests.

**Language Arts:**

Students in grade 6 will use Bob Jones Literature and Grammar and Students in grades 7 & 8 will utilize the Strongmind curriculum for Language Arts, Math and Science, Abeka for History, and outside materials and books.

**Math:**

We offer all Math classes 6-12 during the same Day School class time. Students should enroll in the Math level associated with their skill level, not their grade level. Math for Grade 6 is under review and grades 7 & 8 will use Strongmind curriculum.

## D. 9-12 High School

**Overview:**

A day at school on T-W-Th starts with prayer, the Pledge of Allegiance, and a Bible lesson. The focus on T-W-Th is on core academics. Teachers will present engaging lessons utilizing many resources including computers. The goal is for students to accomplish the majority of all classwork at school. Students who do not complete work at school will complete the assignments at home in the evening.

**Teachers:**

Students in 9th-12th grade will rotate to specialty teachers. They will receive small group, large group, and individual instruction from specialty teachers. Students may participate in mixed grade level classes depending on graduation requirements. Students will have 50-minute classes for each core subject.

**Homework:**

Students in 9-12 spend approximately 60 minutes per day reading, completing Math assignments and studying for quizzes and tests.

**Curriculum:**

Students in grades 9-12 use a combination of Strongmind digital curriculum, hands on material and books.

**School Purchases books: New 2022-2023)**

The cost of books is included in your tuition. Non-consumable books will need to be returned at the end of the school year or at time of withdrawal.

# FRIDAY PROGRAM

## A. General Information

Families have two options for Fridays: Home or On-Campus. M-F Students are required to attend school five days per week.

## B. Friday Home Lesson Plans

Friday is a day of school for all students K-12. Students, who are not signed up for the Friday on-campus program, will need to complete their Friday assignments at home to turn in by Tuesday. Parents are responsible for supervising and signing off that the work has been completed. Students in grades K-2 will have minimal assignments, grades 3-5 should expect about 2 hours of Friday assignments, and 6-12 approximately 3 hours of assignments.

## C. On-Campus (9:00AM-1:30PM)

Families have the option to enroll for our Friday program. Friday school provides teachers to supervise and help students complete the Friday assignments. M-F full-time students are required to attend on Fridays.

## D. Special Events and Field Trips

Special events and field trips are posted on the School Calendar. Please refer to the school member website for an updated schedule.

All field trips are parent and student attended. Our teachers do not go on field trips. The field trip calendar is always posted on the front of our school website. Sign up and pay (if there is a fee) under Info Center/Event Registration.

# INDEPENDENT LEARNING CENTER (ILC)

## GRADES 5-12

### A. Program Information

#### Teacher/Student Ratio 1:15

##### Who:

Students in grades 5-12 with good behavioral control, who prefer independent, and self-paced learning. Students must be motivated to learn independently and have attention controls that will allow them to complete work in a group setting. This program is most suited for students who are accelerated learners and desire more social and academic interaction but want to move at their own pace.

##### Why:

You may love homeschooling, but are having a difficult time getting your student to do their work and to stay motivated, or perhaps you have to go back to work and want a school that will continue to allow your student to work at their own pace. Students, many times, will have a different kind of relationship with the teacher and will gladly complete their schoolwork with teacher guidance. Students in our Day School program who struggle with one class can attend the Learning Center, so they have an individualized program for that class.

##### What:

A place for your student to get teacher mentoring, encouragement, and fellowship with other students while completing schoolwork at their own pace assigned by the parent.

##### Teacher:

The Teacher will provide some basic one-on-one instruction for each student, but is there mainly to supervise, and to keep your student motivated to complete their work and keep on pace.

### B. Attendance

Regular attendance is encouraged, but not required. Parents are responsible to supervise the student's schoolwork when they are not on-campus. The Independent Learning Center is open from 9:00-3:00 on Tuesday, Wednesday, and Thursday. Students may select to attend for the whole time or make their own parent approved schedule. Students may not leave without parental approval. Please note, if your student has any type of scholarship, they are required to be on-campus for the full day M-F.

### C. Dress Code

Students will be required to follow the Day School dress code.

### D. Acceptance into the Program

Students must be motivated to learn, working at or close to grade level and must be attending church on a regular basis and complete our school Christian testimony guidelines.

### E. Social Opportunities

Students will interact with grade level students for Lunch/PE and Chapel. A creativity, brain break center will be set up for students to take a short break from their work or to work on a project. Students may also enroll for our Monday electives and participate in all our Day School special activities.

### F. Projects, Labs, and Materials

Students must bring their own supplies for projects, labs, and required class work.

### G. Day School Class Option

If qualified, students may select to attend and fully participate in either a Science or History class from the Day School Schedule. Students must be pre-approved to attend Day School classes.

## STUDENTS & TEACHERS ACHIEVING RESULTS (S.T.A.R.) (MIDDLE SCHOOL (6-8) & HIGH SCHOOL (9-12))

### A. Program Information

S.T.A.R. is a five-day-a-week program that offers an individualized learning environment for students who struggle to learn in a traditional classroom environment. S.T.A.R. students share the campus with the K-12 Day School and follow all the same procedures and policies. Please see Day School General Information for the policies and procedures.

#### **Enrollment Option:**

Five (5) days, M-F only.

#### **School Hours:**

M-Th 9:00 AM. - 3:00 PM; Friday 9:00 PM. - 1:30 PM (Late Pick-up fee after 3:10: \$1.00 per minute after the second late pick up.)

#### **Testing:**

S.T.A.R students are required to take the SAT10 each year in May.

### B. Steps to Enrollment: (Please note, these steps apply only to the S.T.A.R. program)

1. Sign up for our waitlist ([championprep.org](http://championprep.org)).
2. Contact our admission coordinator at 407-788-0018 ext. 8 or email: [admissions@championprep.org](mailto:admissions@championprep.org) to set up an interview.
3. Once accepted, our director of admissions will help you finalize your school enrollment and financial obligation.

### C. FES-UA, FTC and FES Scholarships

To learn more click on <https://www.stepupforstudents.org> . CPA is in full compliance with the Department of Education and accepts the above listed scholarships.

### D. Admission

This program is for students with good behavior control who struggle to learn in a traditional setting and are no more than two-three years behind. The program is individualized, and the student teacher ratio is 8:1. We consider admission to this program after a thorough review of current I.E.P., academic records, testing, teacher recommendation, and approval by our S.T.A.R. teaching staff.

We only accept students that we consider a good fit for our program. We are unable to accept students on the autism spectrum or students with a matrix code of 253 or higher, or students with neurological, physical, or emotional challenges.

### E. Therapy

Students who need to attend therapy may be dismissed early during enrichment time for therapy or may have their therapist come on campus. Therapy fees are not included in the tuition.

### F. Curriculum

We will use a variety of curriculum. Curriculum will be determined once we determine the actual needs of the students in the class. We will utilize online curriculum, textbooks, supplemental worksheets, multi-sensory, and individualized teaching. The school will order books.

### G. Homework

Students should expect to have thirty minutes to one hour of homework per day. Parents are responsible to oversee homework and sign the homework assignment sheet each evening.

### H. Diploma

High school students attending the S.T.A.R. program can graduate from Champion Preparatory Academy with either a regular or career diploma. Both diploma options are accepted at colleges across the nation. A certificate of participation is available for a student who cannot complete the required credits for a diploma but has been in attendance for four years of school.

## EXTENDED CARE

As a service to parents, Champion Preparatory Academy offers extended care before and after school each day. Morning care offers supervision to children arriving at school between 7:30 AM – 8:45AM. After school care is offered from the close of the school day until 5:30 PM M-F.

**Before School Care (7:30-8:45 M-F)** will include quiet time, board games or homework time. Parents are welcome to send breakfast or a morning snack to school with their child.

**After School Care (3:00-5:30 M-Th and 1:30-5:30 Friday)** will include playtime, homework help, and a variety of fun activities such as board games, Legos, sports, arts & crafts, STEAM and Unit Studies.

**Camp**-Camp is offered during the following weeks when school is not in session. Extended care is offered from 7:30AM-5:30PM M-F. A day at camp will include sports, arts & crafts, board games, STEAM, media, and hands on learning.

- \* Oct. 10-14, 2022
- \* Feb. 20-24, 2023
- \* April 3-7, 2023

### Tuition and Fees for Extended Care:

A 60-day notice is required to drop extended care. Tuition fees follow the day school calendar and are already prorated for weeks there is no school scheduled.

Before School: (7:30-8:45) \$1000.00 per school year or \$83.33 month (12 monthly payments)

After School Care: \$1500.00 per school year or \$125.00 per month (12 monthly payments)

Both Before & After Care: \$2200 or \$183.33 per month (12 monthly payments)

Camp: \$200.00 per week

# STEPS TO ENROLLMENT

## A. Cancellation Policy for Current and New Members

- All registration fees are NON-Refundable unless the school cancels the class.
- Enrollment requires a one year financial commitment regardless of early withdrawal or lack of attendance. Should a family need to withdraw, and we are able to replace your child's enrollment with another student, your financial commitment will be forgiven with the exception of one additional monthly payment from the time of your notice to withdrawal.
- There is no refund for tuition paid in advance.
- Students may change class selections up until July 1st without penalty, after July 1st, there is a \$25 per class charge to change classes.
- Champion reserves the right to cancel any class that does not meet minimum enrollment and deny enrollment in any classes that are at capacity. Parents will be notified by June 15th if a class your student is enrolled in does not meet minimum enrollment.

## B. Current Members

Current members are guaranteed enrollment, and current member pricing until the end of priority enrollment on March 22, 2022. After priority enrollment ends for current members, we will fill open seats with new members. The online enrollment process is completed on our Sycamore Member website.

## C. Current Members: How to Finalize your Enrollment

### **See Instructions on Sycamore How to Enroll Document.**

1. Enroll online on our member website-Sycamore.
2. Complete and sign the Financial Agreement Form 604 and return to the CPA office.
3. Complete and notarize the Medical Information Form 601 for each child and return it to the office with your registration paperwork.
4. Complete the Covid-19 Waiver for each child and return to your student's teacher on the first day of class
5. Pay registration fees along with enrollment. If you need special arrangements for your registration fees, please consult with Mrs. Garcia.
6. Set up FACTS, only if you don't already have an account, and need monthly payments.
7. Submit all required forms and payment to reserve your classes and receive your current member discount.

## D. New Members

New member enrollment will begin March 29, 2022 if we know we have an opening for your child. We give priority enrollment to current members. Once current members have completed enrollment, we open enrollment up to approved students on the waitlist. Once new member enrollment begins, we will email and call you to let you know if we have openings for your requested grades/programs.

Families are given two days to respond before we move on to the next student on the waitlist. If you are still interested, our admissions coordinator will set up an appointment for a family interview, and a day for your child to visit the classroom (if you haven't already completed this step).

## E. New Members: How to Finalize your Enrollment

Here are the steps to finalizing your enrollment.

1. Attend an Information Meeting.
2. Set up a family interview and a day for your student to shadow.
3. Once accepted, and we have opening for your child, you will need to enroll online on our [championprep.org](http://championprep.org) website. Click on Day School then Click on Enroll.
4. Complete and sign the Financial Agreement Form 604 and return to the CPA office.
5. Complete and notarize the Medical Information Form 601 for each child and return it to the office with your registration paperwork.
6. Pay registration fees along with enrollment.
7. Set up your account with FACTS tuition management if paying monthly. This link will be emailed to you once you complete the online enrollment.
8. Once the current school year is completed, give the Form 603 Request for Records to your current school, so they transfer records to Champion.
9. Submit all required forms and payment to reserve your classes.

# FINANCIAL POLICIES

Champion utilizes an outside tuition management company called FACTS Tuition Management to collect all tuition fees. If your program requires monthly payments, you will need to set up a FACTS account. Parents may log into their FACTS account at any time and make additional payments. The link will be provided in your Steps to Finalizing Your Enrollment email.

**Monthly Payment Plans are from June-May (12 months). If you enroll after June, the monthly payments will be based on the yearly amount/by the number of months available for payment.**

## Registration Fee

The non-refundable application fee is due at the time of registration. Class enrollment is not held until this fee is paid in full. Please sign and turn in the Family Agreement form 604 along with a copy of your payment form. Registration payment can be paid via PayPal or check.

## Material and Lab Fees

If paying your tuition in full, these fees need to be included with your check and given to the school at the time of registration. If paying monthly, these fees will be set up on FACTS at the time of registration and will be deducted beginning with your June payment.

## Tuition Payment Options

We offer the following options for tuition payments: Space in a classroom will not be held for your student until the school has received the check for full payment (postdated to June 1) or FACTS has been set up, and we have received your required documents. Tuition is assessed on a yearly basis according to the enrollment option selected.

### Payment Option 1: Pay in Full

Pay in full by June 1, or at the time of registration if enrolling after June 1. This payment option requires that the school receive a check postdated to June 1, at the time of registration.

### Payment Option 2: Monthly

The school is extending credit to your family so you can pay monthly payments. If you select monthly payments, you will need to set this up at the time of registration. There is a \$45.00 one-time family fee for this option. Payments must begin by June 1 or the month of registration if enrolling after June 1.

## FACTS Fees

FACTS charges a one-time per year, per family fee of \$45.00 for setting up monthly payments, or a \$10.00 fee, per year, per family for 1-2 payment options. There are additional small fee charges for the use of credit cards.

## Book Orders and School Supplies

The cost of books is included in your tuition. Non-consumable books will need to be returned at the end of the school year or at time of withdrawal.

Final curriculum and school supplies lists will be posted on our school website by July 1. Having all of the required materials is part of the student's responsibility so this may be part of the homework or daily grade. Please make sure your student has the supplies as requested by the teacher for each class.

## Schedule Changes

**Class Age Groupings:** These are subject to change based on actual enrollment. Parents will be notified of any age grouping changes.

**Class Cancellation:** Tuition fees are refunded in the event a class does not have enough students enrolled. Parents will be notified as soon as possible if a class is canceled.

Students may change the level of a class within the first two weeks of the semester if the teacher recommends the change. Parents will be contacted by the teacher to finalize the process.

## Drop/Add Policy

Students may add a course during the first three weeks of a semester if they have completed all prerequisites for the course, and if there is an opening in the class. Students may drop a course during the first three weeks of the semester without academic penalty. Teachers must be consulted and give approval before a final decision about adding or dropping a course is made. A Drop/Add Form must be completed and signed by the teacher, Academic Advisor, and parent before the student's schedule is changed. **There is a \$25 fee for adding or dropping a course after the first three weeks of class.**

## School Records (New Students Only)

School records are required by the state and must be transferred to Champion immediately upon withdrawal from your previous school. Form 603 Transfer of Records is available for you to give to your school for the transfer.

## Withdrawal Policy

Enrollment requires a one-year financial commitment, regardless of early withdrawal or lack of attendance. Should a family need to withdraw, and we are able to replace your child's enrollment with another student, your financial commitment will be forgiven with the exception of one additional monthly payment from the time of your notice to withdraw. There is no refund for tuition paid in advance.

**See the Tuition and Fee Schedule for fees.**

# TUITION AND FEES

## 2022-2023 K-12 Champion Preparatory Academy Day School Tuition & Fee Schedule

# REQUIRED STUDENT RECORDS

## (NEW MEMBERS ONLY)

### A. General Information

This paperwork is required by the Department of Education and must be submitted by July 15, or within 10 days of enrollment if enrolling after July 15.

#### Definitions:

Distance Student: Any student not participating in on-campus classes

On-Campus Student: Any student enrolling in on-campus programs (Preschool-Day School, S.T.A.R., Independent Learning Center or enrichment classes)

### B. Student Transferring from a Public or Private School

Please mail or take the CPA Transfer of records form (603) to your child's previous school at the time you officially withdraw from school. If your student is in high school, please mail or fax a copy of their transcript prior to enrollment. Many schools will take longer than 10 days to send your records. If we have not received your records within 10 days, we will call the school to confirm that you are a student in good standing, and they will be sending the records. Once this is confirmed, your enrollment can be finalized without receipt of records. Please note, CPA does not send the 603 form to the school unless a school will not accept a parent submitted request of records. Should this happen, please contact our school.

### C. Student Transferring from Homeschooling

If you are currently homeschooling and are not transferring records from another school, please submit the following within 10 days of enrollment:

Birth Certificate (copy)  
Physical Form  
Immunization Form  
Current Achievement Testing (within one year)  
Progress  
Attendance Reports

1. Grades 1–8: Submit progress and attendance records for each year of homeschooling for grades 1-8 (a list of subjects taken, grades, and attendance for each year of school).
2. High School: All high school students need to submit a high school record showing credits, courses, grades, and attendance for 8th grade and each year of high school completed prior to enrollment. CPA guidance may request to see the student's work in order to verify credit.

## Champion Preparatory Academy Family Financial Agreement Form 604 2022-2023

This form must be signed, initialed, and turned in to the school office at the time of registration in order to finalize enrollment.

\_\_\_ I understand my enrollment will not be processed until this form is received by the school office, and payment of registration fees, and tuition requirements are completed (payment in full or FACTS is set up). For new students, complete previous school records must be received by July 1, or within 10 days of enrollment, if enrolling after July 1.

\_\_\_ I understand enrollment requires a one-year financial commitment, regardless of early withdraw, dismissal or lack of attendance. All fees paid are non-refundable.

\_\_\_ I understand if our family needs to withdraw, my financial commitment will be forgiven only if Champion Preparatory Academy is able to replace my enrollment with another student. I agree to continue making payments until the school notifies me that my financial obligations have been forgiven. I understand I will need to pay one extra month, once my financial commitment has been forgiven. There is no refund for tuition paid in advance.

\_\_\_ I understand my financial obligation as written below. I verify that I have carefully reviewed my finances, and I have the funds available to complete my financial obligation to the school for the school year.

Student Last Name, First Name	Grade level 2022-2023	*Program & Days Per Week (see codes below chart)	Registration Fees (Due with Enrollment)	Yearly Tuition	Other Fees (Yr.) (list code & price for each, see tuition schedule)	Lab Fees (Yr.) (list lab code & price for each, see tuition schedule)	Total Tuition Due = Yearly Tuition + Other Fees + Lab Fees

## K-2 GENERAL INFORMATION

**Lunch:** Bring your own lunch & drink or order through [www.schooleatery.com](http://www.schooleatery.com).

**Snack:** Bring two extra snacks and drinks

**Dress Code:** Monday & Friday Modest Dress Code

T-W-TH: Students need to order school logo shirts and outerwear with our school logo. (See Dress Code)

**Arrival Time:** Drop off at the Gym until 9:00AM. After 9:00AM you will need to drop off at the school office.

**Pick-up Time:** Students not in Extended care need to be picked up no later than 3:10. After 3:10 there is a \$5.00 charge for every ten minutes late.

**Extended Before Care:** 7:30-8:45 Students will be dropped off at the Gym. Students are welcome to bring breakfast and/or a snack to eat upon arrival. Games, activities, reading & quiet time will be encouraged.

**Extended After Care:** 3:00-5:30 Students will be picked at TBA. Students will expect to complete homework, have a snack (bring an extra snack & drink), play time & hands on activities. After 5:40 there is a \$10.00 charge for every 10 minutes late.

## K-2 MONDAY CLASS DESCRIPTIONS

Monday is a day of hands-on multi-sensory learning and cooperative learning. Our certified teachers provide a safe, nurturing environment where your child can explore and stretch his talents while building self-confidence and learning to work as a team. Your child is engaged and having fun, not even aware of all the learning that is occurring. Our multi-sensory, project-based learning experiences encourage discovery through, teacher-guided investigations, questioning, direct instruction, hands on learning, discussion, and teamwork. Classes are integrated and include critical thinking and integrations of all subjects.

**Chapel/Music/Movement:** Grades K-5 will come together for a time of prayer, pledge allegiance to the flag, praise & worship.

**Media, Library & Literature Unit Study:** Students will get to check out a book and enjoy hands-on literature activities to encourage their love of reading.

**Playground/Snack:** Students will have time on the playground and outdoor activities such as gardening. Weather permitting students will snack outdoors.

**STEAM Lab:** Hands-on Learning-(Science, Technology, Engineering, Art & Math) Our STEAM LAB will excite and motivate children to love learning. Our lab building is fully equipped with the latest in technology: Lego robots, Dot & Dash Robots, coding, 3D Printers, AR & AV Z Space computers, a green screen for Zoom or streaming projects, new computers and a kitchen for those ooey, gooey projects. While technology is an integral part of the lab experience there are still many hands-on projects where we will set the technology aside. Students will rotate to the STEAM Lab every three weeks.

**PE:** Students will learn various developmental games and the basics of age-appropriate sports all while getting exercise.

**Art/Music:** Students will learn a more in-depth knowledge of the history of art, the masters, and basic art skills. Students will explore instruments, especially percussion in this introduction to melody making and learn songs kids love.

**Boss Club:** Entrepreneurship is a unique teaching vehicle that incorporates cross-curricular skills like math, language arts, public speaking, creative arts, critical thinking, and so much more. It is an extremely practical way to learn and apply Biblical teachings even at a young age. Students will work in groups and learn teamwork, planning, budgeting, art, math, reading, writing, technology and possibly come up with a product to sell. At the end of first semester students can sell their items at our Christmas Shopping Venue. Guest speakers who are entrepreneurs will additionally speak to the class.

**Adventure Club:** Children become explorers and discover the joy of nature and our environment. Students will learn about camping, fishing, gardening, insects, bees, recycling and how to protect our environment. This class will culminate with an optional parent/student campout either at the school or at a campground.

**Basic Living:** Our students will learn etiquette, manners, nutrition, gardening, basic housekeeping (ironing, folding, cleaning, healthy products), basic sewing, and & many DIY projects.

**A Day on Broadway (K-12):** This class will hone their acting, dance and speaking skills while working on a major production that will include younger and older students. The theater production will be held in May. Lab Fee \$75.00

## TUESDAY, WEDNESDAY, AND THURSDAY INFORMATION

The focus on T-W-Th is core academics. All classes meet or exceed Florida Standards. Most academic work is accomplished during their time at school. Students will have some homework each evening such as reading, sight words, spelling words, math facts, etc. Teachers utilize the Christ-Centered Bob Jones Curriculum for Language Arts, Super Kids Phonics and readers as a supplement to the Bob Jones and the math curriculum is in review and will be posted by July 1. Students will be placed into the Moby Max Math and Reading instructional program for individual instruction. Teaching will consist of whole classroom, small group, individual instruction, centers, and hands-on learning. Teachers use i-pads and other resources to enhance the curriculum and to provide engaging hands-on lessons that the children will enjoy.

**New for 2022-2023:** The school purchases the books. Book fees are part of your tuition. All non-consumable books must be returned upon withdrawal or at the end of the school year.

## FRIDAY INFORMATION

Friday is a day of school. If you are not signed up for the Friday on-campus program, the parent will need to supervise the student at home to make sure Friday's assignments are completed and ready to turn in by Tuesday. Students in K-1 should expect to have approximately one and a half hours of assignments on Friday. Friday classes provide teaching staff to help students complete their Friday assignments. Friday students may also attend school field trips instead of being in class. Parent transport and supervise students on field trips. Teachers do not attend field trips.

**Extended After Care:** 3:00-5:30 Students will be picked at TBA. Students will expect to complete homework, have a snack (bring an extra snack & drink), play time & hands on activities. After 5:40 there is a \$10.00 charge for every ten minutes late.

## Grades 3-5 MONDAY CLASS DESCRIPTIONS

Monday is a day of hands on multi-sensory learning and cooperative learning. Our certified teachers provide a safe, nurturing environment where your child can explore and stretch his talents while building self-confidence and learning to work as a team. Your child is engaged and having fun, not even aware of all the learning that's occurring. Our multi-sensory, project-based learning experiences encourage discovery through, teacher-guided investigations, questioning, direct instruction, hands on learning and discussion and teamwork. Classes are integrated and include critical thinking, and integrations of all subjects.

**Chapel/Music/Movement:** Grades K-5 will come together for a time of prayer, pledge allegiance to the flag, praise & worship.

**Media-Library-Literature Unit Study:** Students will get to check out a book and enjoy hands on literature activities to encourage their love of reading.

**Playground/Snack:** Students will have time on the playground and outdoor activities such as gardening. Weather permitting students will snack outdoors.

**STEAM Lab:** Hands-on Learning (Science, Technology, Engineering, Art & Math) Our STEAM LAB will excite and motivate children to love learning. Our lab building is fully equipped with the latest in technology: Lego robots, Dot & Dash Robots, coding, 3D Printers, AR & AV Z Space computers, a green screen for Zoom or streaming projects, new computers, and a kitchen for those ooey, gooey projects. While technology is an integral part of the lab experience there are still many hands-on projects where we will set the technology aside. Students will rotate to the STEAM Lab every three weeks.

**PE:** Students will learn various developmental games and the basics of age-appropriate sports all which getting exercise.

**Art/Music:** Students will learn a more in-depth knowledge of the history of art, the masters, and basic art skills. Students will explore instruments, especially percussion in this introduction to melody making and learn songs kids love.

**Boss Club:** Entrepreneurship is a unique teaching vehicle that incorporates cross-curricular skills like math, language arts, public speaking, creative arts, critical thinking, and so much more. It is an extremely practical way to learn and apply Biblical teachings even at a young age. Students will work in groups and learn teamwork, planning, budgeting, art, math, reading, writing, technology and possibly come up with a product to sell. At the end of first semester students can sell their items at our Christmas Shopping Venue. Guest speakers who are entrepreneurs will additionally speak to the class.

**Adventure Club:** Children become explorers and discover the joy of nature and our environment. Students will learn about camping, fishing, gardening, insects, bees, recycling and how to protect our environment. This class will culminate with an optional parent/student campout either at the school or at a campground.

**Culinary Arts-**Students will learn very basic cooking skills, nutrition, proper cleaning, and how to read labels. **Lab Fee \$75.00**

**Basic Living:** Our students will learn etiquette, manners, nutrition, gardening, basic housekeeping (ironing, folding, cleaning, healthy products), basic sewing and & many DIY projects.

**A Day on Broadway (K-12):** This class will hone their acting, dance and speaking skills while working on a major production that will include younger and older students. The theater production will be held in May. **Lab Fee \$75.00**

## Grades 3-5 TUESDAY, WEDNESDAY, AND THURSDAY INFORMATION

The focus on T-W-Th is core academics. All classes meet or exceed Florida Standards. Most academic work is accomplished during their time at school. Students will have some homework each evening such as reading, sight words, spelling words, math facts, etc. Teachers utilize the Christ-Centered Bob Jones Curriculum for Language Arts, Science & History and the math curriculum is in review and will be posted by July 1. Students will be placed into the Moby Max Math and Reading instructional program for individual instruction. Teaching will consist of whole classroom, small group, individual instruction, centers and hands on learning. Teachers use i-pads and other resources to enhance the curriculum and to provide engaging hands-on lessons that the children will enjoy.

**New for 2022-2023:** The school purchases the books. Book fees are part of your tuition. All non-consumable books must be returned upon withdraw or at the end of the school year.

## Grades 3-5 FRIDAY INFORMATION

Friday is a day of school. If you are not signed up for the Friday on-campus program, the parent will need to supervise the student at home to make sure Friday's assignments are completed and ready to turn in by Tuesday. Students in 3-5 should expect to have approximately one and a half hours of assignments. Friday classes provide teaching staff to help students complete their assignments. Friday students may also attend school field trips instead of being in class. Parent transport and supervise students on Field trips. Teachers do not attend field trips.

**Steps to Enrollment Current Members:** Please see the How to Enroll Document.

**Steps to Enrollment New Members:**

1. Sign up for our [wait list](#).
2. Contact our admission coordinator at 407-788-0018 ext 8 email: [admissions@championprep.org](mailto:admissions@championprep.org) to set up an interview. Set up a time for your student to Shadow.
3. Once accepted, our Registrar will help you finalize your school enrollment and financial obligation.

**Scholarships Accepted: FES-UA or FTC** [www.stepupforstudents.org](http://www.stepupforstudents.org) **AAA:** [www.aaascholarships.org](http://www.aaascholarships.org)

**S.T.A.R.:** (Students and Teachers Achieving Results) is a five-day-a-week (34 weeks) program that offers a small group individualized learning environment for students that struggle to learn in a traditional classroom environment. S.T.A.R. students share the campus with the K-12 Day School and follow all the same procedures and policies. Please see Day School General Information for the policies and procedures.

**Admission:** This program is for students with good behavior control that struggle to learn in a traditional setting and are no more than 2-3 years behind. The program is individualized, and the student teacher ratio is 1:6. We consider admission to this program after a thorough review of current I.E.P., academic records, testing, teacher recommendation, and approval by our S.T.A.R. teaching staff. We only accept students that we consider a good fit for our program. We are unable to accept students within the Autistic spectrum, students with a Matrix code of 253 or higher, students with neurological, physical, or emotional or behavioral challenges.

**Admission to the 9-12 Transition program (See Day School High School Schedule):** Student/Teacher ratio 1:8 Includes the above admission considerations except this program is for students with good behavior control that struggle to learn in a traditional larger classroom setting, but are able to participate and learn in a small group more individualized setting. This is not a program for students that need one-one instruction to learn. Admission is by teacher recommendation. The Transition program will use Strongmind curriculum. ([www.strongmind.com](http://www.strongmind.com))

**Therapy:** Students that need to attend therapy may be dismissed early during enrichment time for therapy or may have their therapist come on campus. Therapy fees are not included in the tuition for S.T.A.R.

**Curriculum:** We will use a variety of curriculum. Curriculum will be determined once we determine the actual needs of the students in the class. We will utilize online curriculum, textbooks, supplemental work sheets, multi-sensory, and individualized teaching.

**Homework:** Students should expect to have thirty minutes to one hour of homework per day. Parents are responsible to oversee homework and sign the homework assignment sheet each evening.

**Diploma:** High school students attending the S.T.A.R. program can graduate with either a regular or career diploma. Both diploma options are accepted at colleges across the nation. A certificate of participation is available for a student that cannot complete the required credits for a diploma but has been in attendance for four years of school.

**Testing:** S.T.A.R students are required to take the SAT10 each year in the spring.
