A one-of-a-kind fusion of visual arts and entrepreneurship!

Inspire - Design - Launch

The Art Studio (Morning Sessions)

Students will explore a variety of art mediums including:

- Drawing, painting, and printmaking
- Digital design and mixed media
- DIY crafts and product design
- Sculpture, jewelry-making, and upcycled art

Each project is tied to a real-world application—creating art with purpose!

Where creativity meets commerce!

The Business Lab (Afternoon Sessions)

Students will become young CEOs by:

- Brainstorming and pitching product ideas
- Creating logos, product packaging & marketing materials
- Learning money basics—cost, profit, pricing & budgeting
- Designing and managing their own “pop-up shops” or market booths

Mrs. Stanaland is your guide on this creative adventure!

Young Makers Market, twice a year students showcase and sell their original creations to parents, friends, and the community.

She has a Master of Fine Arts degree and a Bachelor of Education degree, as well as many years of homeschooling and having her own studio.
