### A Foundational Program for Little Learners

Champion Preparatory Academy's on-campus Pre-K and VPK programs are designed to get our students started on their educational journey with a solid foundation.

### Faith-based Academic Development

Champion Preparatory Academy's little learners are taught faith principles, fundamentals, and unique ways to have group fun. They enjoy the opportunity to do all this while forming their worldviews via educational activities, active play, and multisensory learning. Our Pre-K and VPK students spend their days in a cooperative group learning environment that is focused on pre-reading, math, and developmental skills. Our curriculum also incorporates art, music, dramatic play, plenty of outdoor playtime, and storytelling to help children build confidence and prepare them for Kindergarten.

### What Can You Expect from Our Pre-K & VPK Programs?

When enrolling your young ones, you can be sure that your child will obtain a quality education and have all the tools necessary to surpass academic expectations. Our small class sizes and 1:11 teacher/student ratio ensure that every student receives individually tailored instruction and one-on-one attention with their teachers. As an added benefit, students who complete their VPK education with us will be automatically accepted into our Kindergarten program in the following school year.

### Pre-K & VPK Programs Enrollment Options built to Fit Around Your Schedule

Champion Preparatory Academy's Pre-K & VPK programs offer multiple enrollment options that are tailored to fit into your daily schedule. You can choose to only enroll in VPK (T-W-Th) or add Monday and/or Friday to your child's schedule. Students may additionally select to enroll only one or two days a week (Monday and/or Friday). Monday and Friday students must be 3.5 years by Sept. 1. All students are required to be potty trained.

VPK is offered at no charge to students that register with the [Seminole County Early Learning Coalition](#) to get their Certificate of Eligibility and will be age four (4) by Sept. 1. VPK is 540 hours of instruction and is 4 weeks less than our Day School. You can add the additional four weeks on by paying extra fees. See the tuition schedule for these fees.

- VPK-Days: Tuesday-Wednesday-Thursday Time: 9:00am-3:00pm.
- Monday (Ages 3.5 by Sept. 1) (Private Pay) Time: 9:00am-3:00pm
